

TIMOTHY CORRIGAN

#482

18th Century French Oak Console Table

This console is a marvel that takes your breath away. The natural carved oak console is supported by three voluted scroll legs that are truly extraordinary. And if that weren't enough, the inlaid wood marquetry top has a lovely scalloped shape. This is one of the most special pieces we have seen in a long time and is a true piece of art wherever you place it.
