#2892

Set of Plaster Roundels of the Four Seasons after Bertel Thorvaldsen

Each of these plaster roundels depict one of the four seasons in the neoclassical style that Bertel Thorvaldsen was famous for. This collection is one of the larger scaled sets issued from the Thorvaldsen Museum in Copenhagen, Denmark. Romantic and delicate, these would add a touch of elegance to any space.

H: 2.5" D: 28"

Price: \$3,800
